RE: Letter of recommendation

The company MORAVA AGRO, s.r.o. is a dynamically developing business, which has successfully been engaged in the agricultural sector in the western Slovakia since 2005. As the company's entrepreneurial strategy is defined by German/English-speaking chief executive officers, the management of company MORAVA AGRO, s.r.o. has been using the translation and interpretation services of Mag.phil. Karolína Šajánková for longer than one year.

Mag.phil. Karolína Šajánková's translations of agreements, administrative documents and notifications from and into English or German are characterized by a high level of expertise, language proficiency and accuracy. Mag.phil. Karolína Šajánková works for us also as an interpreter at business meetings and when taking legal advice necessary for the future growth of our company. She always demonstrates great ability to comply with our specific requirements and her extraordinary commitment, flexibility as well as creative solutions are further distinctive features of her work.

Mag.phil. Karolína Šajánková fulfils all tasks assigned to her conscientiously and effectively. The company MORAVA AGRO, s.r.o. particularly values her communication skills, reliability and discretion.

MORAVA AGRO s.r.o.
